CURRICULUM VITAE

PROFILE

Motivated and disciplined Software Developer and UX Designer currently completing Advanced Level technical studies at Institut Don Bosco Kabarondo TSS. Possessing a strong educational foundation built through primary and ordinary level schooling, with hands-on skills in web development, user interface design, and user experience principles. Passionate about creating responsive, user-centered digital solutions that solve real-world problems. Eager to apply my technical knowledge, continuously develop my professional skills, and contribute positively to a collaborative and innovative team.
